

## Adapting Management Styles

**Understanding your management style & the need to adapt to others.**

### Who is it for?

This workshop is designed to enable Team Leaders and Managers to assess their approaches to people and team management, reflect upon their preferred management style and consider how to adapt their style to different situations.

### Overview

Leaders today have to learn to cope with exponential change themselves and help others through coaching, facilitating and empowerment. The aim of this workshop is to explore leadership styles and consider the skills required to harness employee potential, examine team roles and provide a range of tools and strategies to improve team performance

### Workshop Objectives

- Recognise your preferred management style and the need to adapt to manage different situations.
- Practice effective communication skills to reduce misunderstandings.
- Implement a problem solving technique to generate new ideas and/or improvements with and through colleagues and staff.

### Investment

Total investment for this one day workshop is £140 per person. Alternatively, this workshop can be delivered internally to your organisation for a total investment of £1154, irrespective of how many delegates from your organisation attend. This cost includes all relevant materials but excludes any costs associated with the venue.
